Tucked amidst these numbers are successes, challenges, hope and renewal. We believe whole heartedly that when one of our members succeeds, we all succeed. When one struggles, we all look for hope and ways to encourage resilience and repurpose.

Staff, board, community partners, supporters and the children, families and seniors we call our Friendly House family are all part of the fabric we weave together to make our neighborhood stronger. Thank you for all that you have done to be a part of us.

~Lorelei Pfautz, Executive Director
